Dear Parents/Carers,

It has been another week of firsts for us in week 3 of this very different start to the school year, some of them more welcome than others! Shutting down a class bubble was definitely NOT one of the things that we wanted to do, although it does show that the systems that we have operating in school and the protocols that we are following meant that it was only one class. This class will pilot our first 'live lessons' using Microsoft Teams and Miss Moody, their class teacher, is prepared and ready to go!

The children will also be trialling the first of our assemblies next week, which will be done remotely from my office to the children in their classrooms. We are very keen to try and ensure that the experiences that the children have in school are not spoilt by the restrictions we are currently working under.

We are hoping to reinstate the bed time stories that we shared with you during lockdown. We feel that this was well received by the children and supports what we are trying to achieve in school in encouraging a love of reading and stories for all our children.

Remember the time that you have been given is an arrival slot of ten minutes and you can arrive at any time within that 10 minutes. If you arrive at 9.08am and your time is 9.00am that is good and you are not late just because lots of children have already gone into school. It helps us to ensure the flow of parents around school site and removes the congestion on the pavement.

Finally, can I thank you for your support, patience and understanding in ensuring the smooth entry to and exit from school. Have a lovely weekend and time to get your winter coats out of the loft!

Yours sincerely,

Miss JK Tomlinson
Executive Principal
