Dear Parents/Carers,

Happy New Year! I hope that you have all had a lovely break and enjoyed some family time, whatever that looked like for you. Let's hope that 2021 brings us all a much better year!

There has been a whole host of reporting regarding schools and Coronavirus over the break, but I just wanted to take the opportunity to remind that you that we still be welcoming children back to school on **Monday 4th January 2021**.

There has been a lot of positive news regarding vaccines more recently, and although we are not out of the woods yet, there is light at the end of the tunnel. Can I respectfully request that we continue to follow our simple arrival and exit procedures in order to 'do our bit' in keeping transmissions locally as low as possible.

- Please continue to adhere to the staggered arrival and departure times;
- Only one parent per child at drop off and pick up;
- Socially distance as adults, 2 metres is a significant distance so please check the posters if you are unsure.
- Remember that you can come at any point during your 10-minute allocated slot, the actual learning time begins at the end of this period. It is preferable that you do not arrive before the allocated time as this means that parents are gathering on the pavement and this is what we are trying to avoid.
- Please wear a face mask when dropping off and collecting your child.

Please remember to continue to report confirmed cases using the questionnaire- details of this can be found on the school's website on the Covid-19 update page.

Finally, enjoy what is left of the break and we look forward to welcoming the children back on Monday.

Yours sincerely,

Miss JK Tomlinson
Executive Principal
