Dear Parents/Carers,

Further to my parent letter on Friday, I enclose the links to complete our parent and pupil survey on your perceptions of our remote learning provision. Many of you have already expressed your views and sent in many positive messages and we really appreciate this. I would like to try and capture these thoughts and also review anything we can do to improve it further.

There are two short surveys, one for parents/carers and one for your child to complete (although younger children may need your support in completing this). This survey will close next Monday 1<sup>st</sup> February 2021.

### Parental Survey:

### Pupil Survey:

The vast majority of our children are accessing the live learning and submitting work to school, but we want to continue to ensure that **all** children are able to continue their learning at this time.

### Work packs

Some of our children are accessing work packs and whilst some of you have been returning these, some may not have known that this is possible. I would like to ensure that children accessing work packs also have some feedback on their work as I am sure this will be a motivating factor for them. You can take photographs and upload via Seesaw or you can return it when you pick up the next work pack. I would remind you that for technical support we have a designated email to support you [techsupport@accordmat.org](mailto:techsupport@accordmat.org). There is also a great deal of information on our website.

Finally, can I thank you for your continued support at this difficult time, we will get through this by working together!

Yours sincerely,

Miss JK Tomlinson
