Dear Parents/Carers,

Wraparound Care

I write with an update regarding our Wraparound Care provision.

Having considered the current challenges, we face as a result of the national lockdown and the very low take up of our Wraparound Care offer; we have taken the decision to close both the Breakfast Club and the After School Club with effect from the end of the week.

We understand the disappointment that this may cause to those that regularly utilise these facilities but the low attendance figures that we have been experiencing since the first national lockdown last year have not recovered as we would have hoped, and have in fact reduced further still most recently.

The level of take up means the provision is not financially viable and unfortunately leaves us with no alternative but to end the provision.

Our hope is that in the Summer term we can review this position and consider re-opening both provisions subject to the level of parental interest.

Thank you in advance for your understanding and ongoing support.

Kind regards,

Miss JK Tomlinson
