Dear Parents/Carers,

I am sure that you will have all tuned in to watch Boris Johnson's roadmap out of the pandemic last night, in which he confirmed that children will be returning to school on **Monday 8th March 2021**.

We are delighted to confirm that it is our intention to welcome **all** children back from this date and that we will be sending further details out before the end of the week.

We will continue to offer emergency care provision for our key worker and vulnerable children and to provide the remote learning for children who are not in school. We understand that this has been a difficult time and we would just ask that you continue to support and motivate your children for a little while longer.

We will be able to open up our wraparound care provisions from Monday 8th March 2021 and would request that you complete the online booking form by using the link below:

We want to ensure that all children are ready to return to school at this time and if you or your children have any concerns, then please do not hesitate to contact your child's class teacher. If for example your child may need a little message of reassurance then we can ensure that this happens.

Finally, can I just say that all staff at Horbury Primary Academy are looking forward to welcoming the children back!

Yours sincerely,

Julie Tomlinson
Executive Principal
