Executive Principal: Miss JK Tomlinson

Dear Parents/Carers,

It has been another busy week in school and not even the miserable weather has been able to dampen our spirits. Year 1 have continued to do their balanceability and the rain has not bothered them at all, although I think Mrs Clarke was hoping this afternoon for a bit of sunshine as she is a little fed up of standing in the rain!

Children across school have been completing a topic this week (some will do this next week) to celebrate diversity and have researched some key figures in history from other ethnic minorities. As an example, Year 2 are looking at diversity working towards investigating Mary Seacole (a Jamaican/British nurse in the Crimean war), Year 4 have looked at some inventors including Garrett Morgan and Mary Van Brittan Brown, Year 5 will be looking at Michele Obama and Nicola Adams and Year 6 will be researching West Indies Cricket and Black History Heroes.

Walk to School Week

Thank you for supporting the national Walk to School Week, watch out on Facebook for the totals of all the differing ways that children have been active in getting to school!

Track and Trace

As we come to the end of another half term, we will be asked again to support the national Track and Trace for cases of Covid-19. There will be further information sent out next week and a link to complete the questionnaire should you have a positive case within your family.

Finally, I hope that you have a lovely weekend and let's be thankful that we can now enjoy more things indoors as I'm afraid the forecast doesn't look much better for the weekend!

Yours sincerely,

Miss JK Tomlinson
Executive Principal
