Executive Principal: Miss JK Tomlinson

Dear Parents/Carers,

Children have enjoyed the work they have completed this week around the theme of diversity and staff have reported some very interesting and thought-provoking conversations with the children. They have shown a depth of understanding and sensitivity and produced some lovely pieces of work. Watch out for this on social media and in the Accord newsletter.

INSET

Just a reminder that Monday 7th June is an INSET day and as such children must **return to school on Tuesday 8th June.**

Track and Trace

A letter was sent out earlier this week advising you of the information required to help us support the national track and trace. This letter and associated information can also be found on the school website, should you need to use this.

Dogs

A parent has raised a concern that there are an increasing number of dogs around the entrances to school. It is lovely to see these as this might show that there are an increasing number of people walking to school! However please be mindful that some children may be a little wary of dogs and ensure that there is adequate space for people to pass by.

Classes for Next Year and Transition

I know that some of you have been asking the school office for information regarding which class your child will be in next academic year. We still have a few final things to sort before we can share this information, but I am hopeful that this will be early in the next half term. I can tell you that we will be completing a week's transition before the summer, meaning that your child will move to their new class with their new teacher for the last week of term.

We believe that this helps to allay any anxieties that they may have and ensures that they are not worrying about this for the whole summer.

Year 6 will have an exciting week of events starting with a day of outdoor and adventurous activities at Peak Venture.

Finally, I have everything crossed that we can soon return to a more normal life without the many restrictions that have been imposed upon us for so long. I hope that you enjoy the break, that the weather improves and you are able to enjoy some family time and perhaps also a little rest and relaxation.

Have a lovely holiday and see you back for the second half of summer term on Tuesday 8th June.

Yours sincerely,

A handwritten signature in cursive script, appearing to read 'JK Tomlinson', written in black ink.
