Friday 14th January 2022

Dear Parents/Carers,

The second week of the year gone already and the weeks pass so quickly because we have all been so busy!

**Classroom Kitchens**
Year 5 and 6 have been busy cooking again with our classroom kitchens. They have been to completely different parts of the world with Year 6 making focaccia bread and Year 5 making spring rolls! In the taste test the children gave them mixed reviews but the staff said that they were actually both very tasty recipes!

**Musical visitors in Reception**
The reception children listened to a violinist yesterday morning and they really enjoyed clapping along to some of the jauntier tunes. Check out the video on Facebook!

**School Photographer**
We have this week received a notification from our school photographer which reads as follows:
*In 2022 we are updating our computer systems, servers and shop to a better, more improved system with lots of buying choices for parents.*

*I would be grateful if you would inform your parents that our current online shop will be closing shortly and should they wish to order any archived images using our online shop they have until **31st January** to do so. We will still have the original images which they can purchase copies of by contacting us using the following email address info@adventurephotographystudio.co.uk and only if they have the correct unique code. We hold these images for a limited time anyway to comply with GDPR.*

**Printer Ink Cartridges**
Mr Czartowski, our ICT subject leader has asked me to inform you that we are collecting ink cartridges in school. There will be a box near the school office to place any cartridges in and these will then be recycled. It will raise some funds for school and we will also be helping the environment at the same time!

Finally, I hope that you have a lovely weekend and you enjoy the spring like weather that is forecast.

Yours sincerely,

Miss JK Tomlinson
Headteacher
