

Friday 21<sup>st</sup> January 2022

Dear Parents/Carers,

Another busy week in school has come to an end and lots of things have been happening this week. We had a visit from our governors on Wednesday and they checked in with the teaching of History, Geography, Design and Technology, PSHE, French and Music. They also talked to the children and looked at their books. The curriculum ambassadors in Year 6 also shared what they knew about their subject specialisms.

### **Classroom Kitchens**

This week's classroom kitchens have seen Year 4 baking banana and carrot muffins. This was a healthy recipe that had reduced amounts of butter and sugar. Year 4 told me at lunchtime that although the mixture, and I quote, "looked quite gross when it went in the oven, it actually tasted really nice."

### **Reception visitors**

The reception children have been following a topic called 'Help I need somebody!' and they have been having a few visitors in school recently. They have had a police officer and the lollipop lady from Middlestown who actually brought lollipops and a story book about a lollipop lady.

### **Year 5 boys up for the cup!**

Some Year 5 boys who play for Horbury Town won the semi final of the cup 4-0 last weekend! This is the first time they have reached the final of this competition and we really hope they can go all the way and win the final. Watch this space for details of the date of the final, as I am sure they would love some extra support! The Year 5 boys are Ben Tatterton, Noah Horton, Sam Shelley and Marley Grayston.

### **School Photographer**

Just a reminder of the message from the school photographer from last week:

*In 2022 we are updating our computer systems, servers and shop to a better, more improved system with lots of buying choices for parents.*

*I would be grateful if you would inform your parents that our current online shop will be closing shortly and should they wish to order any archived images using our*

*online shop they have until **31st January** to do so. We will still have the original images which they can purchase copies of by contacting us using the following email address [info@adventurephotographystudio.co.uk](mailto:info@adventurephotographystudio.co.uk) and only if they have the correct unique code. We hold these images for a limited time anyway to comply with GDPR.*

Finally, I hope that you have a lovely weekend and although the weather is cold I do believe the weather will be dry and perfect for brisk walk in the park!

Yours sincerely,

A handwritten signature in black ink, appearing to read 'JK Tomlinson', with a stylized flourish at the end.

Miss JK Tomlinson  
Headteacher
