Dear Parents/Carers,

What an end to the week with the weather! Perhaps I need to take some responsibility for mentioning the old adage and saying that March was leaving us like a lamb. One week the children were playing out in shirt sleeves and we all enjoyed some outdoor time last weekend and then this week we have to dig out the hats, scarves and gloves! Check out the pictures on Facebook of the children in the snow.

### **Cooking in school**

The children have continued to enjoy the cooking sessions in school this half term. With Year 4,5 and 6 making soup, Year 3 made a delicious red pepper salsa with crackers and Year 2 made a Greek salad with feta cheese!

### **Natural Artists in Year 4**

Year 4 have been using natural materials to create 'people in action' this week as part of their art topic. Have a look on Facebook and see if you can guess what the people in their pictures are doing?

### **Reception**

The reception children were excited to learn about the life cycle of the frog. They have been reading books, looking at real live frogspawn and making a large imaginary pond outside. They can't wait to welcome some frogs into the classroom in the not too distant future. Hopefully they will return them to the wild before they escape and hop off around school!

### **Upcoming Events**

Next week we have 2 more open evenings and we look forward to welcoming you into school and the Y2 and Y4 classrooms for a look around and to see the children's work. The timings for each of these events is **3:30pm-4:00pm** and **5:30pm-6:00pm**. As you can see we also have our parent phonics meeting and it would be lovely to share with you our journey (despite the pandemic) on improving the phonics teaching in school.
