Dear Parents/Carers,

Another busy week in school comes to an end and, maybe its my age, but the weeks at the moment seem to be flying by.

Cooking Kitchens

This week saw Y4 taking on the cooking challenge and they made a pasta bake which was packed full of vegetables and when the children ate it, the vast majority said they actually enjoyed it! Mrs Mower said that as we they had cooked this in the morning some of the children were too full to eat their lunch.

Year 6 SATs

Year 6 completed their SATs this week and the children felt that the tests went well, although they were disappointed not to get the bacon and sausage sandwiches on the Friday-because the tests finished on Thursday! One child even remarked, "Well I wouldn't mind another test tomorrow if it means I get another sausage sandwich!" Glad to see they have their priorities right.

Reception Balanceability

We are lucky to have a trained 'cycle teacher' on our staff and Mrs Kilroy has been taking groups of children to do their balance ability this week. The children have really enjoyed zooming around on the balance bikes and some have shown some real talent for cycling.

Wraparound Care Bookings

The booking form for Summer 2 wraparound care is now live.
