

In English, I will learn...

- to write narratives set in a fantasy location, using accurate speech punctuation.
- to use figurative language to describe a setting (using adverbs, adjectives, similes, alliteration, personification and onomatopoeia).
- to write formal letters in response to a letter that we have received.

Our book for this half term is **Cloudland by John Burningham**

In PE, I will learn

Cricket

- To improve my co-ordination & ability to field effectively
- To hold & use that bat effectively
- To bowl both underarm and overarm
- Some of the rules of cricket
- What Dynamo cricket is, how to play this and how to score in Dynamo cricket

In Computing, I will learn....

What makes a good animated film or cartoon

How animations are created by hand

How 2Animate can be created in a similar way using the computer

About onion skinning in animation

To add backgrounds and sounds to animations

What 'stop motion' animation is

To use a class display board to share my work digitally

In Maths, I will learn...

- To convert between units of measure
- To find the area of shapes
- To find the perimeter of a rectilinear figure
- To read, write and convert time between analogue and digital 12 and 24 hr clocks
- To find fractions of amounts including non unit fractions eg $\frac{2}{3}$ $\frac{4}{6}$ etc
- To solve simple measure and money problems involving fractions and decimals to two decimal places

Our topics are:

Historical geography and Settlements

Important Information:

Homework will be set on a Monday each week and will mostly include maths, spelling tasks and English work. However, there may also be other subjects from time to time. Homework can be handed in any day after it has been set but must be brought back by the following Monday, when it will be marked.

Keep remembering to bring your home reading record into school regularly – can you achieve the gold standard?

PE is on **Thursdays** with swimming on a **Friday (8:50am set off, come to school at 8:40am).**

In Music, I will learn ...

- To listen and appraise the work of Domenico Scarlatti
- To listen, appraise and learn to sing the songs 'Blackbird' 'Stop'
- To create own compositions to play to these songs.
- To discuss and make improvements to own compositions.
- To keep the rhythm and pulse in time with the music
- To understand the elements of music and how they contribute to the style of music

In Science, I will learn...

- To group living things in a range of ways.
- To generate questions to use in a classification key.
- To use a key to identify invertebrates.
- To create a classification key.
- To recognise positive and negative changes to the local environment.

In MFL, I will learn...

- To recognise the similarities between traditional stories in French and in English
- To follow a French story and be able to join in reading sections with the teacher, working out the meaning of some of the phrases or vocabulary through repetition and context
- To recognise word classes: nouns, verbs and adjectives in French; more able pupils will transcribe short sentences using a high frequency verb, with approximate spelling
- To know the names of 8 pets in French and be able to pronounce them accurately
- To be able to say a sentence in French using 'J'ai' and 'Je n'ai pas de' to talk about pets; more able pupils will be able to add adjectives to these sentences and may also use the third person (Jack a un chien noir.)
- To understand simple rules for converting singular nouns into a plural form

In Art, I will learn...

- To use line, tone, shape and colour to recreate scenes
 - To use lines and marks to show texture in my art
 - To show reflections in my artwork
 - To experiment with styles used by other artists
 - To compare and contrast pieces of completed artwork and give own critical viewpoint/opinion
- These skills will be delivered through a theme of work linked to buildings in the landscape.

PSHE I will learn ...

Relationships

- To recognise situations that can cause jealousy in relationships
- To identify someone I love and can express why they are special to me
- To talk about someone I now longer see
- To recognise how friendships change, how to make new friends and how to manage when I fall out with friends
- To understand what having a boyfriend/girlfriend might mean and that it is a special relationship for when I am older
- To know how to show love and appreciation to the people and animals that are special to me

In RE, I will learn...

Hinduism

- How do Hindus show their faith within their families.
- Explore Hindu ideas about the four aims of life
- Explore Hindu ideas of karma
- Explore what Hindus do to show their tradition within their faith communities.

In Geography, I will:

- locate Horbury on a map and describe some of its human and physical geographical features
- label a map of Horbury and use key Ordnance map symbols
- name the areas of origin of the main ethnic groups in the UK and be able to link this to our school (past and modern day)
- learn that the United Kingdom is diverse. It contains many different nationalities, races and religions. (PSHE and British Values link)

Horbury - Local Study

Useful websites / resources

<https://www.horburyvillage.com/>

<https://en.wikipedia.org/wiki/Horbury>

Key places I will learn about:

Horbury
West Yorkshire
England
United Kingdom
Europe

Sticky Knowledge I will learn:

- Horbury is a Town with human geographical features including shops, restaurants, churches, schools and leisure facilities.
- Horbury is located in the county of West Yorkshire which is in the county of Yorkshire, which is in the country of England, which is in the United Kingdom, which is in the continent of Europe.
- The United Kingdom contains many different nationalities, races and religions.
- Map symbols can be used to represent the key human and physical geographical features of Horbury.
- Horbury has a range of physical geography features - fields, hills, rock formations and rivers.
- On 21 March 2021, the decennial 2021 censuses of England and Wales and of Northern Ireland was completed. The census of Scotland is planned to take place in 2022.

Key vocabulary linked to my topic:

Physical geography

Human geography

Census

Horbury

Wakefield

County

Ethnic group

Yorkshire

Map Symbols
