Headteacher: Miss J Tomlinson

Dear Parents/Carers,

As another busy and rather hot week at Horbury Primary comes to a close, I think we are all ready for relaxing weekend!

Bike ability

Year 6 have been enjoying their bike ability sessions this week and part of their training has involved cycling outside of the school and safer road use. The children have really enjoyed this and I am sure it will make them safer on the roads.

MCAS

Just wanted to give you a further reminder that if you are not currently set up on MCAS, please email MCAS@horburyprimary.accordmat.org and details for logging on can be sent to you. This will become your one stop shop for all payments and communications from school. We will shortly be stopping the use of ParentPay altogether but at the moment this should still be used for school dinners only.

Sun cream

As we have had a particularly sunny spell recently, it would seem timely to remind you that at this time of year it is a good idea to apply sunscreen (there are sunscreens that last all day) before school and send children in with a hat and a water bottle.

Sports, Health and Wellbeing week

It is sports week in school next week and there are lots of activities happening for all year groups each day. Your children will need to be in their PE kit all week, although please don't allow children to wear any football or other team shirts. On Thursday we are wearing purple for the Forget Me Not charity. We have requested a contribution of £2 towards the activities and a donation of £1 for the charity - both of these payments have been set up on MCAS. This is our preferred method of payment as it ensures we don't have to handle cash and hopefully it should be easier for you. If you are really struggling, please send the money in to school with your child.

Sports Day

Following on from this we will have Sports day (weather permitting) on **Friday 1st July**. Reception, Y1 and Y2 will take place in the morning from **9.30am** for about an hour and KS2 in the afternoon between **1.30pm until 3pm**. Parents are allowed to attend but as is our normal practice, parents will be seated at the opposite side of the track to the children.
