

Friday 8<sup>th</sup> July 2022

Dear Parents/Carers,

I know I say this every week but we have been busy again at Horbury Primary!

## **MCAS**

Remember that all payments (including school dinners) have now moved over to MCAS. This will now be your one stop shop for all payments and eventually for all communications from school as well. A separate letter was sent out with instructions for setting up your account- if you have any issues then please contact the school office who will do their very best to support you. The end of year school reports will be sent out in this way so you must ensure you do this before **Friday 15<sup>th</sup> July**.

## **Year 5**

Year 5 have had a very busy week this week as they have been up to Horbury Academy twice! They completed a music day on Wednesday, and they have had a taster day today. On music day the children had a go at Samba, they learnt the Hakka and they did some dancing and singing. The children and staff said it was amazing! On taster day there were sampling some of the lessons, including PE, that they will be doing if they go to Horbury Academy next year. In between all this, they managed to squeeze in and win a tennis tournament!

## **Year 6 Fiver challenge**

Thank you for your support of the fiver challenge fayre. The children in year 6 worked really hard to prepare the stalls and sort them out on the day. All the children enjoyed their visit to the fayre, and it was a real success. We have yet to finish counting the money, but we will let you know the amount raised before the end of the term.

## **Classroom Kitchen**

Year 3 have been baking this week in the classroom kitchen and they made Welsh cakes. These are one of my favourites and perhaps if you visit anywhere in Wales this summer you may be able to try out the real thing too!

### Hot Weather

Just a quick reminder that we are due for another hot spell in the last 2 weeks of term. Can you please ensure that children are sent into school with a hat and a water bottle and that you have applied sunscreen before coming to school.

Finally, have a lovely weekend and hopefully you will have chance to enjoy some of the lovely weather that is forecast.

Yours sincerely,

Miss JK Tomlinson  
Headteacher
