Dear Parents/Carers,

Headteacher: Miss J Tomlinson

This is the last week for children in their current classes and most children are very excited to be moving on to their new classrooms and teachers. The end of year reports have been sent out to parents today using the MCAS system. Please let us know if you have any issues accessing them. The statutory results that are issued in Year 2 and Year 6 will be sent to parents of children in these year groups at some point next week.

Year 2 Picnic in the Park

Year 2 had a lovely day out of school at the park and library on Thursday. The children had a picnic under the trees in the park, visited the library (where the librarian was very impressed with the children's knowledge of books and authors) and learnt how to play rounders with myself. The children had a lovely day and really enjoyed the trip out of school. They then rounded off the week by making rock buns in their 'classroom kitchen' and enjoying them in golden time the same afternoon!

Transition

On Monday the children will move up to their new classes. I have listed below the entry and exit times for these classes. It is important that we stick to these times and the entry and exit routes as this avoids congestion and allows us to collect and release children in a safe manner. When dropping off and picking up at the link corridor can I ask that you go back down the KS1 playground and exit through **gate A** at the bottom.

Hot weather

We are aware that there are some amber and red weather warnings in place for Monday and Tuesday of next week for extremely hot weather. We have made allowances for this in school such as shortening lunches times and changing the place where children play to allow for some shade, but please remember to send your child into school with a hat, a water bottle and wearing sunscreen. We are also happy for children to come to school in PE kit in order to try and stay cooler.

Finally, I hope you will be pleased to receive your child's report and that many of you will be celebrating and treating your children for their achievements this year.

Yours sincerely,

Miss JK Tomlinson
