

Friday 1<sup>st</sup> July 2022

Dear Parents/Carers,

As we head into the last month of the school year there is still lots to fit in before we close for the summer. This is especially true for our Year 6 as we want to ensure that they enjoy the last few weeks of primary school and that we send them off to their prospective secondary schools with as many lovely memories as possible!

## MCAS

Remember that today is the day that all payments (including school dinners) are moved over to MCAS. This will now be your one stop shop for all payments and eventually for all communications from school as well. A separate letter was sent out with instructions for setting up your account- if you have any issues then please contact the school office who will do their very best to support you. The end of year school reports will be sent out in this way so you must ensure you do this before **Friday 15<sup>th</sup> July**.

## Sports Day

Well done to all children who took part in sports day today, it was lovely to have you all back in school cheering on your children! Thankfully the rain only made a very short appearance in the afternoon, so it didn't take away from the enjoyment or prevent us from finishing all of the races. Well done to all the winners and to Beech the overall winners in Key Stage 2. A big thank you to Mrs Cartwright for the organisation of sports week last week and sports day today! Thank you to Mrs Wynne for the organisation of Early Years and KS1 sports day!

### **A couple of reminders**

Can I respectfully request that you contact either the school office or your child's class teacher (via Seesaw) if you wish for your child to be collected by another parent or someone that does not normally pick up. Obviously, we wish to ensure that we keep children safe, and this is not easy if we are not sure who is collecting your child. Can I also remind you that you should leave the school grounds straight away after collecting your child. We are having a number of issues with children falling out when playing on the 'wonky house' and other school equipment and we do not have staff to monitor these areas at this time. Also, this area is used by the after-school club when the weather is good, so we do need the area cleared as soon as possible. Please note this area is also out of bounds at drop off as it is not monitored then either.

Finally, have a lovely weekend and don't forget to check out the sports day pictures on social media.

Yours sincerely,

Miss JK Tomlinson
