

In English, I will learn...

- To write simple sentences using a capital letter, full stop and leaving finger spaces
- To use question marks
- To use adjectives to describe objects
- To write simple instructions, using imperative verbs.
- To spell the days of the week with capital letters
- To recite a simple poem

Our class books/texts:

Aliens Love Underpants by Claire Freedman & Ben Cort

The Weather Monster by Steve Smallman
(book led curriculum)

The Wind is Full of Tricks Today

In Geography, I will learn...

- To identify key landmarks (human features) within Horbury by going on a local area walk
- To use a simple map to show my journey around the local area
- To use aerial photographs to describe what I saw on my walk around Horbury
- I can explain where I live and know my address

In Maths, I will learn...

- To read/write and solve number statements with addition (+) subtraction (-) and equals (=) signs
- To represent and use number bonds and related subtraction facts to 20
- To add and subtract 1 digit and 2 digit numbers to 20, including zero
- To recognise 2D shapes in the classroom and outdoors (including squares, rectangles, triangles and circles)
- To recognise and sort 3D shapes (including spheres, cones, cylinders, cubes, cuboids and pyramids)

Our topics is: Whatever the Weather

Important Information:

PE day is **Monday**, children to come in PE kits on a **Monday**.

Please bring a water bottle to school everyday.

In PE, I will learn...

- To explore running and apply the techniques in games.

In Music, I will ...

- Be learning rhymes and songs liked to our Seasons and Christmas celebration.
- We will be learning and using actions when singing these songs and using percussion instruments.

In Science, I will learn...

- We have 4 seasons in the UK: Spring, Summer, Autumn and Winter
- To name each season and know the type of weather in each season
- To observe and comment on the changes in the season
- To draw a weather symbol to match the daily weather
- To keep a weather chart and answer questions about the changing weather

In Art, I will learn...

- To name primary and secondary colours and carry out colour mixing activities
- To use ICT to create a picture

In DT, I will learn...

- To cut food safely using the bridge and the claw (Classroom Kitchen)

PSHE, I will learn about...

- Friendship and how to make friends.
- About being kind to others.
- Antbullying, what bullying is and what I should do if I feel unhappy.

In RE, I will learn..

- About the Hindu festival Diwali
- About the importance of the Bible to Christians
- About what the miracles of Jesus taught Christians
- About the Christian festival of Christmas
